

Christine & Philip,

Just a quick note to say thank you for your card + gifts. We did not expect them and we are very grateful. Not all landlords are as accomodating towards their tenants and I feel really lucky that we rented a property with you. Hope you have a fantastic Christmas and a New Year to remember. Also, I'm not sure about Lauren, but from Christmas Eve to January 6th the house will be empty as I am going to spend New year with Fran in Belgium. Thought we should let you know.

Many Thanks again

Dear Phil and Christine -

Sorry for the delay in returning the keys! As you may have heard I am back in plaster and had to return home earlier than expected! Am on the mend now but am not going travelling any more - Drs don't think it would be wise! So no job hunting now!

Many thanks for a great year - the excitement we have had made it a year to remember! Thanks for all your help -

Yours faithfully

Jonathan
